deadline  
30th August

Making it easier to live with  
burns & scars

## Could you be a trustee for a dynamic charity with a bright future ahead?

The Katie Piper Foundation is seeking motivated and enthusiastic trustees who can help us build a future where burns and scars do not limit a persons' function, social inclusion or sense of wellbeing. For the last 10 years the charity has provided care and support to survivors of burns, making a huge and positive impact on their lives and inspiring thousands of others by sharing the realities of living with visible difference and stories of resilience. We have a committed board and want to build on its strong foundations by attracting people with a range of skills including, but not limited to, charity finance, fundraising, clinical practitioner working in burns and scars and someone who can bring their own personal experience of rehabilitation following burns or trauma injuries. We can offer training and mentoring for first time trustees.

To serve survivors to the best of our abilities, for all of these roles, we are keen to hear from people from groups who are underrepresented on leadership boards in the UK and especially those living with visible differences.

*By joining me on the Katie Piper Foundation board you will play an essential part in driving forward our ambitions of transforming the lives of survivors of burns and scars.*

*Katie Piper*

If you are interested in joining us, email [sarah@katiepiperfoundation.org.uk](mailto:sarah@katiepiperfoundation.org.uk) for a trustee pack . The closing date for expressions of interest and CV's is Friday 21 August 2020. If you would like to have an initial exploratory discussion about the charity with a current trustee, that can be arranged on request via the e-mail address.
